

We are pleased to announce that the European University Institute <<http://www.eui.eu/>> is organising a presentation in Tartu to introduce its Doctoral Programme for the academic year 2014/2015. The presentation will be followed by a drinks and food reception. We would be very glad if you could spread this information among your colleagues and potential candidates by informing them about this presentation and the exceptional opportunities offered by the EUI's Ph.D. Programme <<http://www.eui.eu/phd>>.

The presentation will take place at the Tartu University Café (Kaminasaal), Ülikooli 20, 51007 Tartu, on Wednesday 20 November at 16.00 hours. Professor Vello Pettai, Professor of Comparative Politics at the University of Tartu and Member of the High Council of the EUI, will present PhD programmes in Economics <<http://www.eui.eu/DepartmentsAndCentres/Economics/DoctoralProgramme/Index.aspx>>, History and Civilization <<http://www.eui.eu/DepartmentsAndCentres/HistoryAndCivilization/DoctoralProgramme/Index.aspx>>, Law <<http://www.eui.eu/DepartmentsAndCentres/Law/DoctoralProgramme/Index.aspx>> and Political and Social Sciences <<http://www.eui.eu/DepartmentsAndCentres/PoliticalAndSocialSciences/DoctoralProgramme/Index.aspx>>.

The EUI is a unique academic institution, located in Florence (Italy), which offers a structured doctoral programme with close supervision and opportunities to participate in cutting-edge research. Since its establishment 40 years ago, the EUI has been committed to fostering the advancement of research in fields which are of particular interest for the development of Europe. The Institute is proud of bringing together top academics from all over the world in an international research and teaching environment to train the next generation of scholars and provide them with the theoretical and applied skills needed for successful careers in leading universities, research-oriented organisations, international organisations or government agencies.

The Institute is looking for highly motivated and qualified researchers to further complement the already outstanding quality of our current scholars. Grants for doctoral candidates are available; last year 145 grants were on offer for successful candidates.

Please refer to our website <<http://www.eui.eu/phd>> for further details regarding the application requirements, grants and eligibility.

We remind you that the deadline for submitting applications for the academic year 2014/2015 is 31 January 2014. The online applications are now open.
