Intro to e-Estonia

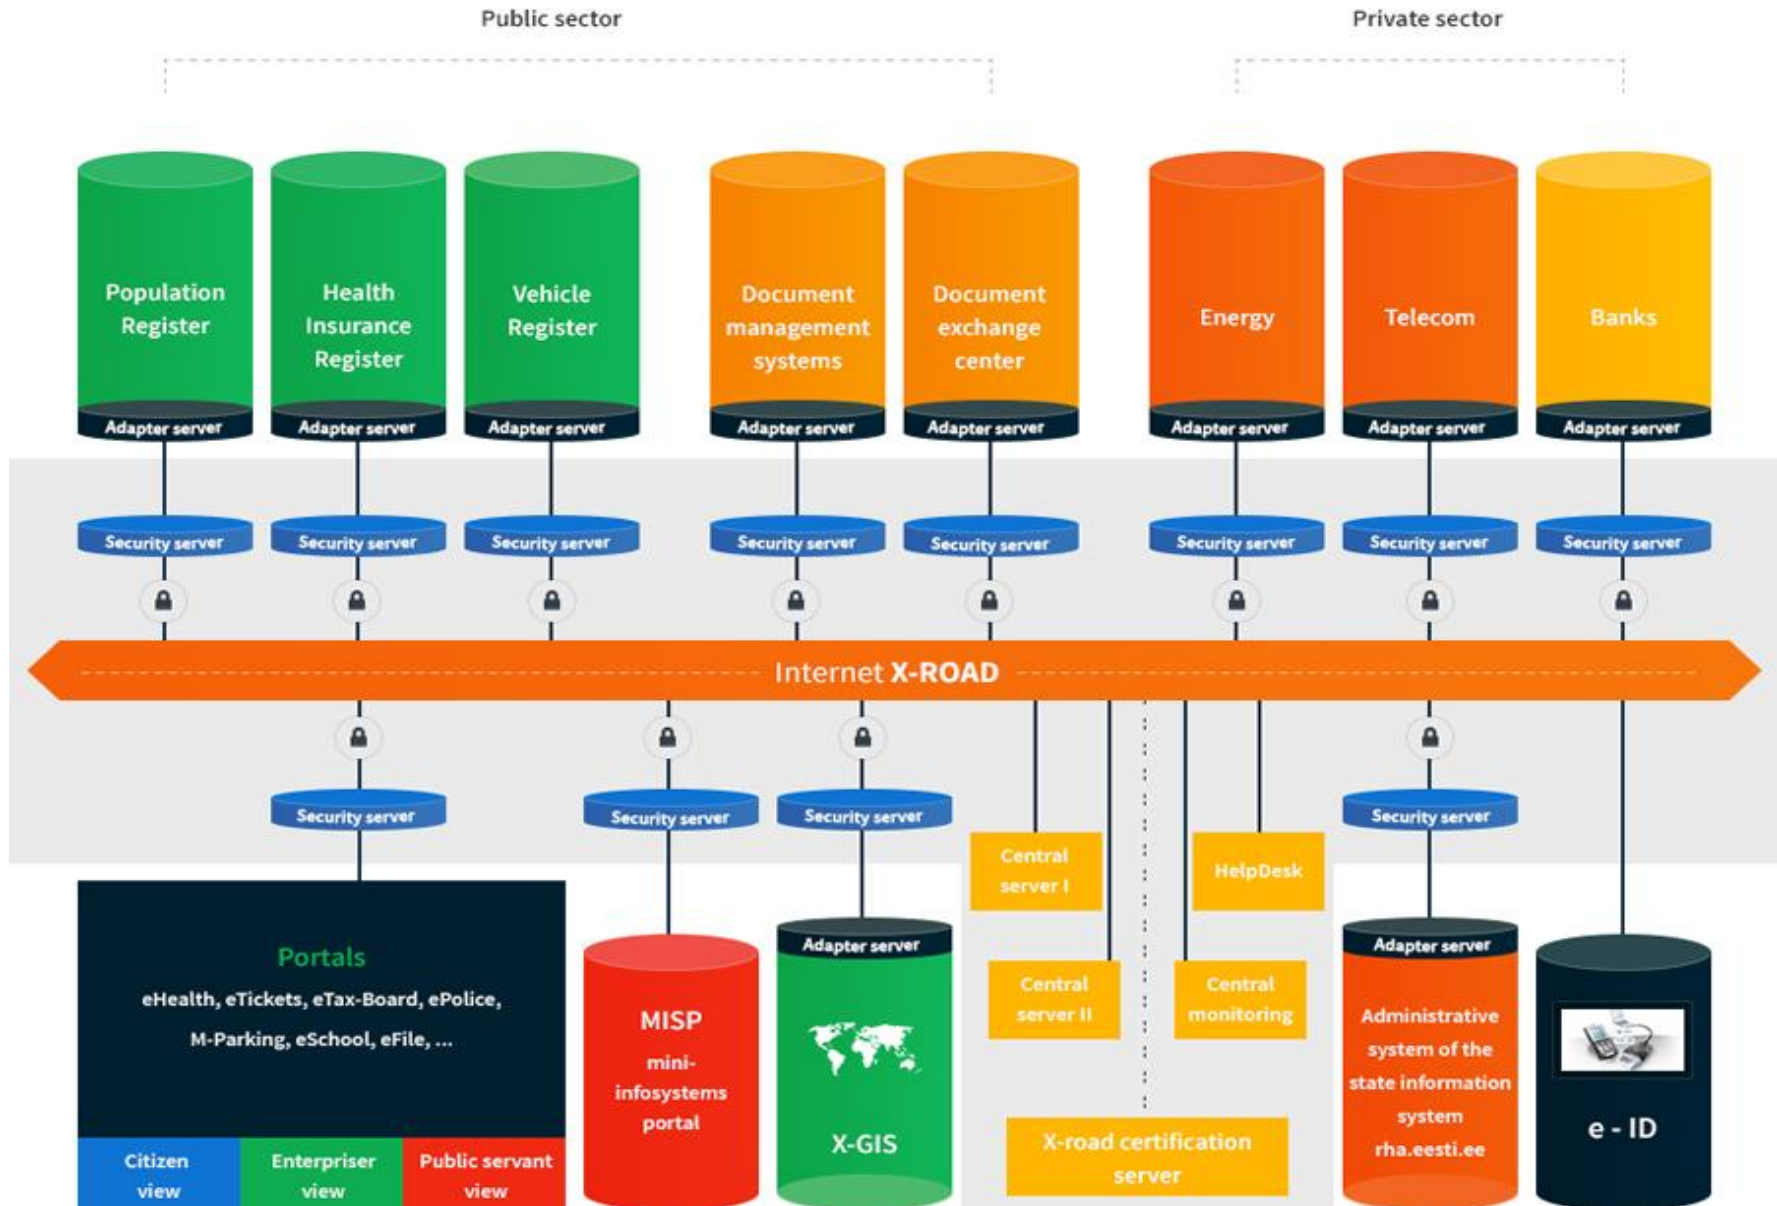

80% of people online + internet everywhere

Digital life-style: convenient and efficient

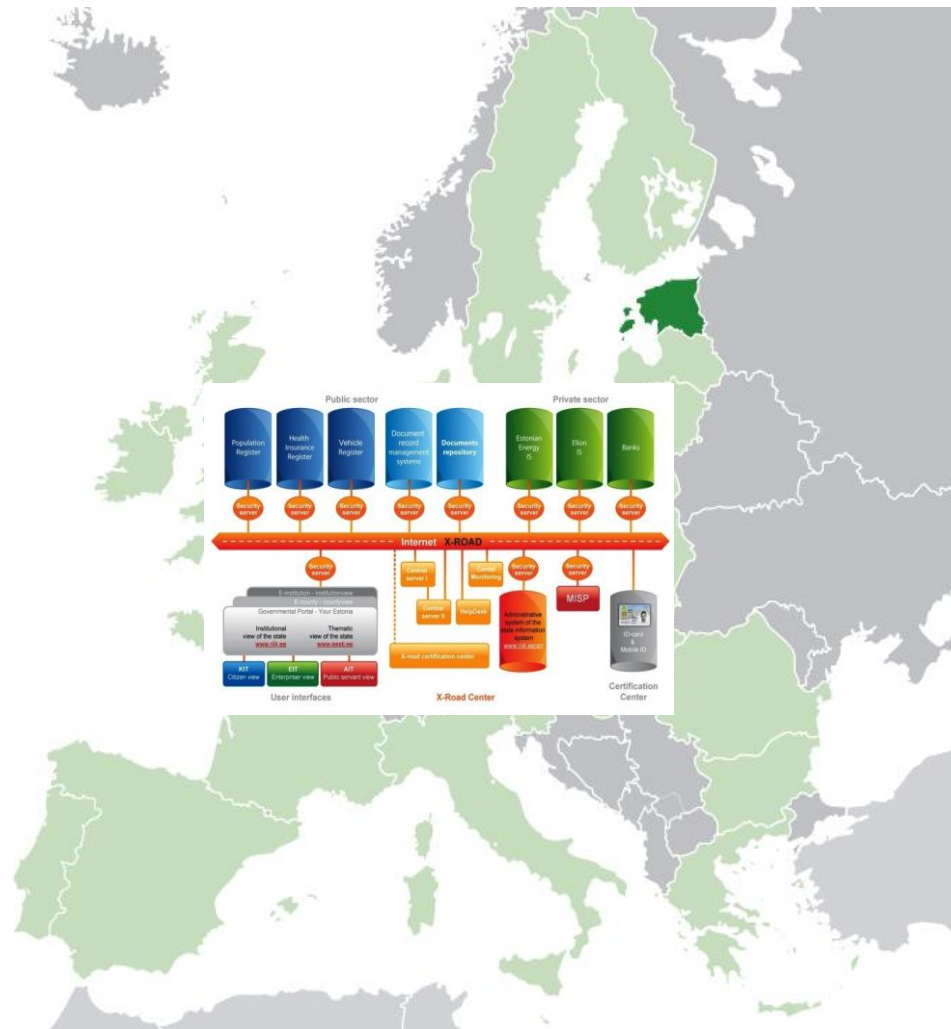

- Online voting for parliament
- Personal income taxes done in 5 minutes,
new company in 20 minutes
- Digital health record + e-prescriptions
- e-School to track the kids' progress
- Paperless government: up to Cabinet level

'Once-only' rule: based on X-Road

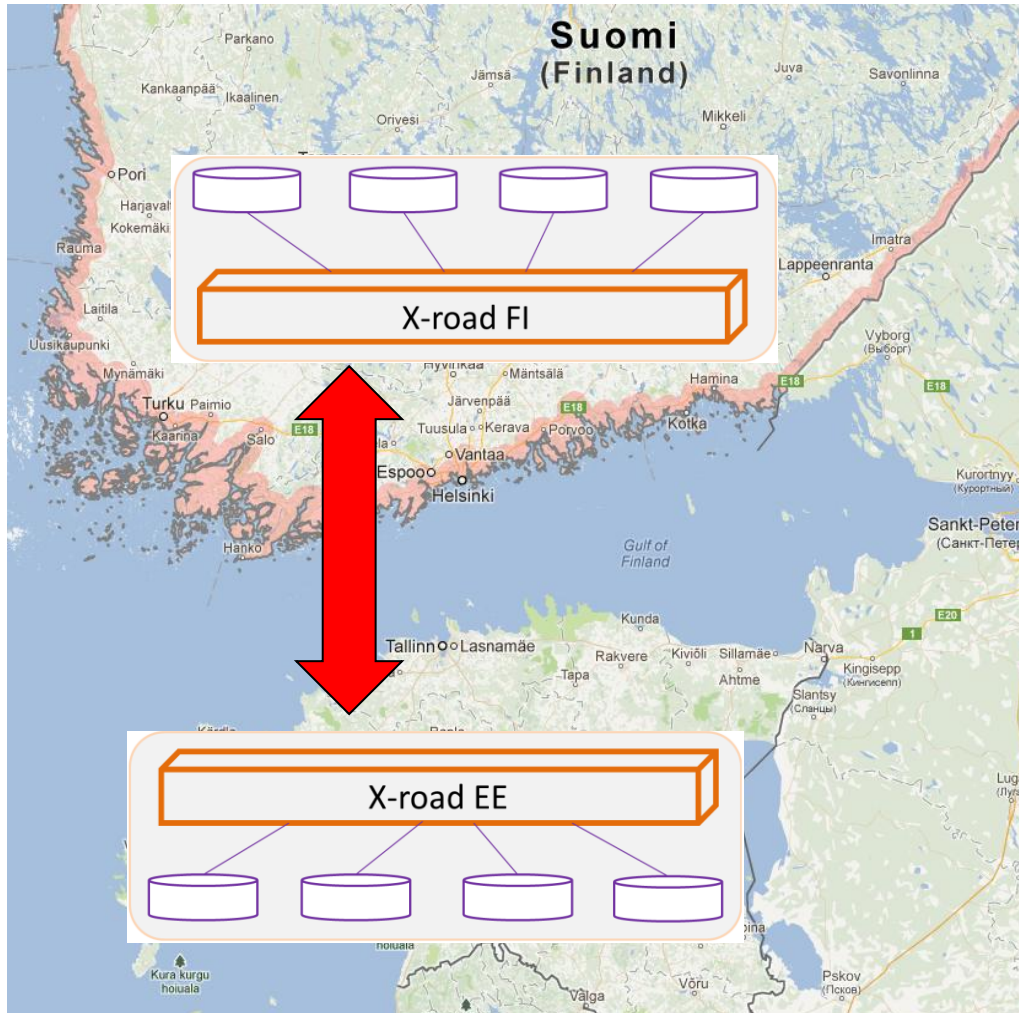

Taking e-gov across the borders

EE proposals:

- 1) 'Once only' right and X-road.eu
- 2) Digital signatures in the whole EU

Piloting between FI-EE now

World's first digitally signed intergovt. agreement Dec. 2013

Vision for EU: digital union
